# ABOUT US

Ground Water which is in aquifers below the earth surface is among the world's most important natural resources. Ground water is the source of water used for drinking, irrigation and industrial purposes and is about 42% of world's total water resource.

Ground Water & Mineral Investigation Consultancy Centre (P) Ltd, popularly called as (GWMICC) is India's leading groundwater consultancy organization, which is involved in geo-hydrological survey, exploration of water and earth resources and their subsequent conservation in India and abroad. With headquarters in Jaipur, Rajasthan, India and has its international office at 13, Barking road, London, UK.

GWMICC has played a key role in scientific research, development and conservation of water and earth resources for industries and organisations including government and non-government sector. Our project portfolio consists of thousands of successful investigations in field of water resource, rain water harvesting, artificial recharge, geophysical exploration for groundwater and various domains of water management.

Dr S.K. Jain is the Managing Director of GWMICC Pvt Ltd. He has been a fellow of Indian Water Resources Society (IIT, Roorkee) and an active member of Consultancy Development Centre, Department of Scientific and Industrial Research, Ministry of Science and Technology, Govt. of India, Quality Council of India, Albert Einstein Academy Foundation, USA, International Association of Hydrologists (Kellinworth, UK) and International Association of Environmental Hydrologists, USA.

GROUND WATER & MINERALS INVESTIGATION CONSULTANCY CENTER [P] LTD. is premier ISO-9001:2008 certified company in the field of water & earth resources exploration, development, conservation & its management.

# BIOGRAPHY

**DR S.K. JAIN**  
Managing Director, Groundwater

Dr S.K. Jain is Chairman cum Managing Director of Ground Water & Mineral Investigation Consultancy Centre (P) Ltd and was pioneer in outlining the contours of several emerging technologies and delivery modules in Geohydrology. Dr Jain has been serving industrialists, institutions, Government and Non-Government Organisations across the length and breadth of the country including Asian, African and Gulf countries.

Having conferred Masters of Technology degree by University of Roorkee (now I.I.T, Roorkee), Dr Jain is a distinguished and active alumnus of the institute. Dr Jain secured high rank in All India Examination conducted by Union Public Service Commission and joined Central Ground Water Board, Ministry of Water Resources, Government of India as Class I Officer in 1978. During his tenure with Government of India, Dr Jain further pursued post graduate diploma in Business Management from Dr Rajendra Prasad Institute of Communication and Management, Mumbai and was awarded Kulpati Medal for securing highest position.

Besides, Dr Jain successfully completed training course in Computer Application in Hydrogeology conducted by IIT Roorkee, on Govt. of India assignment in 1983. He served Government of India for 8 years, till 1985. Dr Jain's main intellectual pursuits are scientific investigation for water and other earth resources. Dr Jain started GWMICC (P) Ltd consultancy organisation for water and minerals in 1985, in private sector.

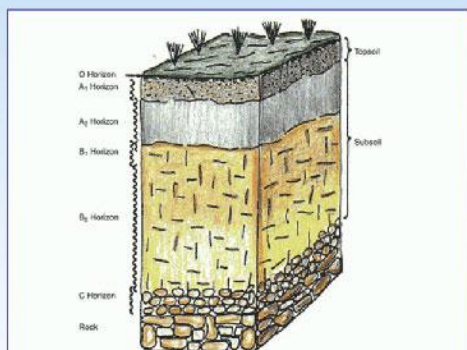

Dr Jain was also conferred doctorate degree by the MGS International University Foundation, Delaware, USA. Dr Jain is Fellow of Indian Water Resources Society, I.I.T Roorkee and member of several international and national associations like, Albert Einstein academy foundation, U.S.A., International Association of Geohydrologists (Kellinworth, U.K.), International Water Association of Environmental Hydrogeologist (USA), International Water Association, London (U.K.) and Consultancy Development Center, Ministry of Science and Technology, Govt. of India etc.

Dr Jain has published many research papers in reputed National and International Journals and conferences, including a paper on "Innovative Techniques for Improving Ground Water Regime in Asian Countries" in International Conference held on Hydrological sciences at NICE France. He was invited by the then President of India, Honourable Abdul Kalam at Rastrapati Bhawan in March, 2004 to discuss about the innovative methods of improving Ground Water conditions of India through Rainwater Harvesting along Highways and other Roads. In 2006-7, Dr Jain took a step forward towards solving drainage problem of the urban area by implementing Storm Water Management projects in many industries and townships.

Dr Jain has unique style of leadership with sharp focus on the research and has imparted training in Groundwater Management and Rainwater Harvesting to many technocrats, engineers, town planners, administrators and architects across India and abroad in workshops conducted by "Everything about Water".

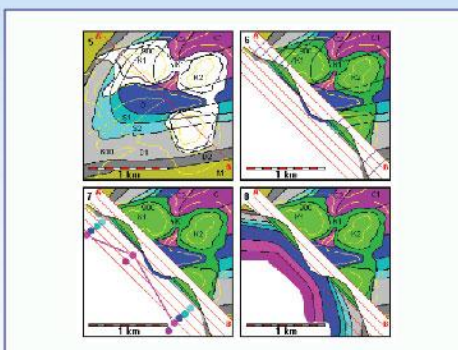

# SERVICES

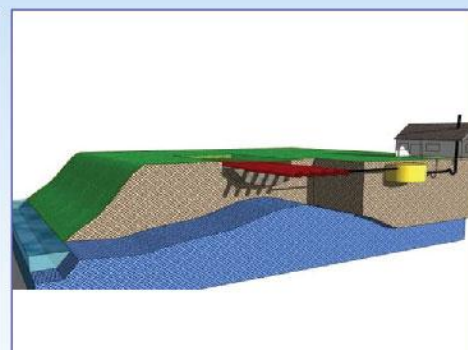

## Soil Resistivity :

Detail study of soil resistivity, load bearing capacity & foundation study is carried out.

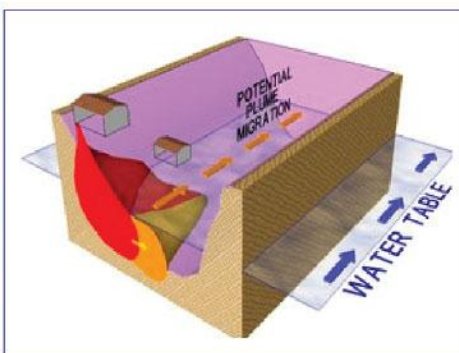

## Surface Water Study :

Study and distribution of surface water in space and time including river water polluting with its life.

It is one of the mandatory part of the process for Indian projects. Central Ground Water Authority (CGWA) has been constituted under Section 3 (3) of the Environment (Protection) Act, 1986 to regulate and control development and management of ground water resources in the country.

## Water Pollution Studies and Remedial Measures :

In this study, we evaluate the contamination of groundwater for determining an adequate and appropriate solution for pollution studies.

## Ground Water Monitoring :

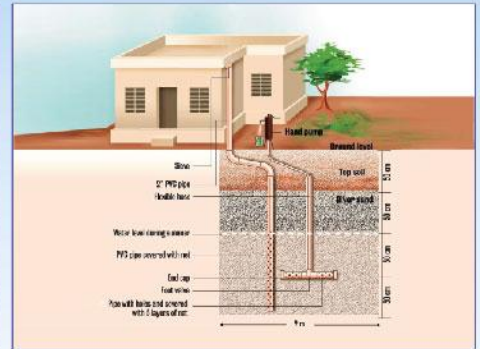

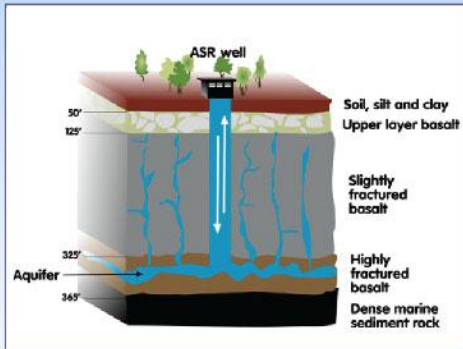

We offer you technical skills in assessing groundwater monitoring networks and deploying industry-tested groundwater instrumentation and water well technologies including installation of piezometers.

## Salinity Assessment and Management :

Salinity assessments provide information on the current status and future predictions of areas affected by salinity.

# SERVICES

## Hydro-Geological Investigation :

Our team is highly responsive and committed to develop integrated and practical solutions to all studies related to groundwater management

## Groundwater Exploration

We detect underground water & evaluation of available water resources for long term with projections on life of water resources.

## Rain water Harvesting

Water conservation, rain water harvesting and dewatering of mine studies. Storm water management studies in urban areas, on roads , factories & colonies.

## Bore well Construction and Design

Construction of tubewells, assembly design , selection of pumps & installation in most scientific manner .

## Remote Sensing and GIS Studies

Remote sensing studies for resources survey using satellite data and imageries with GPS & GIS study as required. gies including installation of piezometers.

## Mineral Exploration

Mineral & water resources detection by geo-electric & geo-physical methods and estimation of resources up to first approximation.

# Important Projects Completed Up to June, 2021

YEAR	GROUP/ COMPANY	PROJECT	ASERVICE CATEGORY
1985	<b>KEC International Limited</b> , Mumbai ( <b>Birla Group</b> )	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigating.
1985	<b>Birla Cement</b> Corporation ,Panna	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
1985	<b>Shree Cement</b> Beawar	Limestone	Preliminary assessment of Lime stone deposit using geoelectric investigation.
1986	<b>Hindustan Salts Ltd.</b> , Nawa (Raj Govt. of India)	Brine water detection for making salt .	Brine detection by Geoelectric survey
1987	PHED & HSHB, Gurgaon (Govt. Haryana)	Ground water resources for long term	Ground water assessment and reserve estimates
1987	<b>Birla Cement</b> Chittorgarh	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
1987	<b>Dimond Cement</b> (Birla)DamooH	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
1987	<b>Raymond Cement</b> , Parsa	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
1987	<b>Hinduja Foundation</b> , Bombay	Ground water detection & deep borewell construction	Ground water assessment & scientific water wells
1987	RSMDC Udaipur	Rock phosphates	Preliminary assessment of Rock phosphate deposit using geoelectric
1987	Godha & Company	Soap stone and china clay exploration	Mining deposit potentiality using geoelectric survey.
1987	Development Alternatives,, New Delhi, Hinduja	Ground Water	Locating fresh water aquifers in on otherwise saline water bearing area
1988	Bihar State Electricity Board Patna	Reconnaissance survey	Topographic and physiographic survey
1988	<b>Birla Cement Works</b> , Marwar Mundawa ,Nagour, Rajasthan.	Water Resources Investigation	Limestone estimates & reserves estimates using geoelectric survey.
1988	Development Alternatives Tara crescent ,New Delhi (Hinduja)	Sweet water resources detection	Delineation of Fresh Water pockets in an otherwise saline area
1988	Hinduja Foundation, Bombay	Sweet water resources detection	Delineation of Fresh Water pockets in an otherwise saline area
1988	North Eastern Cement Limited, Assam	Topo graphic and Ground water Survey	Ground Water Assessment
1988	<b>Orissa Industries</b> Ltd. Rourkela, <b>Orissa</b>	Graphite exploration	Preliminary assessment of Graphite exploration deposit using geoelectric investigation
1988	RSMDC Udaipur	Rock phosphates	Preliminary assessment of Rock phosphate deposit using geoelectric investigation.
1988	<b>Arunoday Construction</b> (P) Ltd. <b>Assam</b>	Ground water investigation	Ground water resources evaluation
1989	Delhi Cantonment Board, Delhi	Ground water investigation	Ground water resources evaluation
1989	UP Jal Nigam , Pratpgah, (Govt. of UP)	Ground water investigation for ground water & well construction	Ground water assessment & scientific water wells installation
1989	Rajasthan Breweries Ltd. Alwar	Topo graphic and Ground water Survey	Water Resources evaluation for long term.
1989	<b>Shanti Mines</b> , Dhanbad, <b>Jharkhand</b>	Exploration for Mica	Preliminary assessment of mica deposit using geoelectric survey
1990	DDA, Delhi (Govt . Of Delhi)	Construction of wells	Scientific water wells installation.
1990	<b>Mnikgarh Cement</b> , Maharashtra	Lime stone	Preliminary assessment of Limestone using Geoelectric investigation.
1991	Action through Cooperation technology , Jaipur	Construction of wells	Scientific water wells installation.
1991	Bhagwati Farm, Rajasthan	Ground water	Selection of feasible tubewell sites
1991	Bhoruka charitable Trust, Rajasthan	Tubewell	Construction of deep tubewells
1991	Deep tubewell Irrigation Project, Jaipur Rajasthan	Tubewell	Construction of deep tubewells
1991	Dimensional Marble Ltd., Alwar Rajasthan	Ground water investigation	Water resources evaluation and assessment of ground water reserves
1991	<b>Dabur India Ltd.</b>	survey for ground water	Ground water assessment
1991	Eicher Tractor Ltd. Alwar (Raj)	survey for ground water	Ground water assessment
1991	Hindustan Charity Trust, Jaipur,	Ground water investigation	Water resources evaluation and

	Rajasthan		assessment of reserves
1991	Modern Suiting Alwar	Ground water investigation	Ground Water Reserves estimation
1991	Rathi Alloys & Steel Ltd.,Alwar	Topo graphic survey and Ground water investigation	Installation of Scientific tubewells.
1991	Hindustan Charity Trust, Jaipur	Detection of Galta Water Source	R & D work of Galta Water Source
1991	Modi alkalies Ltd. Alwar ,(Raj)	Ground water detection & deep borewell construction	Ground water assessment & scientific water wells installation.
1991	Oberoï Associated Hotel , Jaipur (Raj)	survey for ground water	Ground water assessment for long term
1991	Paras Drugs and Chemical Industries, Jaipur	Ground water & tubewell	Water resources evaluation & assessment of reserves and tubewell installation.
1991	Rajasthan Syntax Ltd.,Jaipur	Ground water investigation	Water resources evaluation & assessment of reserves
1991	Samcor Glass Ltd Kota	Soil and ground water investigation	Load bearing capacity soil and water resources investigation in long term
1991	Sambhar Salts (P) Ltd. Nawa, Rajasthan	Brine	Investigation for Brine for salt manufacturing
1991	Shri Ghanshyam Singhal, Jaipur	Ground water investigation	Ground water resources investigation for long term
1991	Tilam Sangh, Mustard Project, Jhunjhunu Rajasthan	Ground water investigation and tubewell	Drilling of scientific tubewells
1991	Vijay Solvex Ltd. Alwar Rajashan	Ground water investigation	Water resources evaluation & assessment of reserves and tubewell installation.
1991	M.B.Textile Ltd. Jaipur	Ground water investigation and tubewell	Water resources evaluation & assessment of reserves
1992	<b>Rajshree Cement , Karnataka</b>	Limestone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
1992	Shiv Shakti Cements. Merta City, Rajasthan	Tubewell construction	Installation of Scientific tubewells.
1992	St.Edmunds School, Rajasthan	Tubewell construction	Construction of tubewell
1992	Indus .Hotels, Delhi	Ground Water	Determination of potential area for ground water availability.
1993	DCM Silk mill , N. Delhi	survey for ground water	Ground water assessment for long term
1993	Indus Hotel Corp. Delhi (Obrai)	Ground water & Tubewells	Selection of feasible site for tubewell & construction of deep tubewell.
1993	Eicher Tractor Ltd. Rajasthan	Ground water investigation	Ground Water resources evaluation and assessment of reserves
1993	Indus Hotel Corporation, New Delhi	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
1993	Jaipur Syntex Pvt.Ltd. Jaipur Rajasthan	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
1993	Modi Alkalies & Chemicals Ltd.,Alwar Rajsthan	Ground water and Tubewell	Construction of suitable deep tubewells based on investigation
1993	Oberoï Associated Hotels Ltd.New Delhi	Ground Water	Detailed comprehensive ground water Resources evaluation studies.
1993	S.G.P.C. New Delhi	Ground water investigation	Detailed comprehensive ground water Resources evaluation studies.
1993	Udaipur Minerals Dev. Corp.	Ground water investigation & Tubewell	Construction of scientific tubewells after detailed ground water potentiality studies.
1993	Grapco Granite Ltd.,Jaipur Rajasthan	Ground water and Tubewell	Construction of suitable deep tubewells based on investigation
1993	Rouchees Breweries, Neemrana	Groundwater assessment	Ground Water Reserves estimate in long term
1993	Shriram Industrial Entp. New Delhi(Rajpura , Punjab)	Groundwater Assessment	Ground Water Reserves estimate in long term
1994	Basantrai Bottlers Ltd. <b>Himachal Pradesh</b>	Groundwater Assessment	Ground water potential studies for long term sustainment.
1994	Castle Douglas Industries Ltd. N. Delhi (Kedia group)	Ground water detection & deep borewell construction	Ground water assessment & scientific water wells constructions.
1994	Golden hill Breweries Ltd. Sawai madhopur, Rajasthan	Groundwater Assessment	Ground Water Reserves estimate for long term
1994	Pearl Polimers Ltd. Gurgaon	Groundwater Assessment	Ground Water Reserves estimate for long term
1994	Eicher Tractor Ltd. Rajasthan	Ground water investigation	Ground Water resources evaluation of

			assessment of reserves
1994	<b>Indus Hotel</b> Corporation, <b>New Delhi</b>	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
1994	Jaipur Syntex Pvt.Ltd. Jaipur Rajasthan	Ground water investigation & Tubwell	Construction of suitable deep tubewells based on investigation
1994	Modi Alkalies & Chemicals Ltd.,Alwar Rajsthan	Ground water and Tubewell	Construction of suitable deep tubewells based on investigation
1994	<b>Oberoï Associated Hotels</b> Ltd.New Delhi	Ground Water	Detailed comprehensive ground water Resources evaluation studies.
1994	<b>Saurashtra Chemicals</b> Ltd. Porbander, <b>Gujarat (Birla)</b>	Groundwater Assessment	Ground Water Reserves estimate in long term
1994	<b>Phoenix International</b> Ltd. New Delhi	Limestone	Preliminary estimates for lime stone reserves near Narnol , Haryana
1994	Prerna Syntes Ltd. Alwar	Groundwater Assessment	Ground Water Reserves estimate in long term
1994	ROM Industries ,Jaipur, Rajasthan	Ground water and tubewell	Construction of deep tubewells based on scientific investigation
1994	Thapar Milk Products Alwar Rajasthan	Ground water and tubewell	Construction of deep tubewells based on scientific investigation
1994	Unique Malt Pvt.Ltd. Neemrana, Rajasthan	Ground water investigation	Construction of deep tubewells based on scientific investigation
1995	Andhra Pradesh Cement ( <b>L&amp;T</b> ) <b>Mumbai</b>	Ground water and geomorphmetric studies of river.	Ground water resources estimation at plant area and river potentiality studies for long term water availability
1995	Autolite Industries Ltd.,Jaipur Rajasthan	Ground water in ultimate rock & layers.	Ground water survey for feasible tubewell sites.
1995	Bhagwati Udyog Nawa, Rajasthan	Brine Resources evaluation	Scientific investigation for brine for salt manufacturing .
1995	Gujarat Cements Project ( <b>L &amp; T Ltd.</b> )Amreli,Gujarat	Topo graphic and Ground water assessment of Buffer and Core zone	Ground Water Resources study for MOEF clearance
1995	<b>Gwalior Distilleries</b> Ltd. (MP) `	Construction of wells	Scientific water wells installation
1995	Maheshwari Public School, Jaipur Rajasthan	Tubewell	Deep tubewell construction in boulders.
1995	P.H.E.D. Jaipur Rajasthan	Soil and Tubewell	Soil resistivity survey for Bisalpur project and construction of tubewells at various locations in Rajasthan
1995	R.M.Mittal Steel (P) Ltd.,Dholpur, Rajathan	Ground water and Tubewell	Suitable investigation for water availability & construction of tubewells
1995	Rotary Club Jaipur	Ground water and Tubewell	Suitable investigation for water availability & construction of tubewells
1995	Shyam Filament, Jaipur, Rajasthan	Ground water	Scientific investigation for Ground water availability.
1995	Shree Fats & Protein Ltd.	Ground water and Tubewell	Detailed ground water assessment studies & construction of tubewell
1995	Vivek Pharmaceutical Jaipur, Rajasthan	Ground water and Tubewell	Detailed ground water assessment studies & construction of tubewell
1995	Gem Corporation of Orrisa Ltd.	Gem stone (Ruby)	Preliminary investigation and delineation of suitable soft rock
1995	Choki Dhani Developers, Jaipur	Ground Water	Detailed ground water availability investigation.
1995	Pyntes and Phasphate Company Ltd.	Tubewell	Detailed ground water availability investigation for deep tubewells and construction of the same.
1995	<b>East India Hotels</b> Ltd..Kutch, <b>Gujarat</b>	Ground water	Water Resources Evaluation studies for long term.
1995	<b>Oberai Associated</b> Hotels Ltd.	Ground water	Water Resources Evaluation studies for long term.
1996	<b>Aditya Cements</b> Ltd. <b>Birla</b> , Shambupura, Chittorgarh	Ground Water Assessment	Reserve estimation for ground water.
1996	<b>Shaw Wallace</b> & Co. Ltd. (MNC)	Ground water detection	Ground water assessment and reserve estimation.
1996	<b>Siel Project</b> & Engineering Ltd.,New Delhi	Soil and ground water exploration	Soil Resistivity test, load bearing capacity & ground water reserves estimation
1996	Oberoï Associated hotels Ltd. Jaipur	Ground water and Tubewell	Detailed ground water resources evaluation & installation of battery of deep tubewells
1996	Modi Alkalies Ltd. Alwar	Ground water and Tubewell	Detailed ground water resources

			evaluation & installation of battery of deep tubewells
1996	Ratna Commercial Entp. Ltd.,Alwar	Ground water and Tubewell	Detailed ground water resources evaluation & installation of battery of deep tubewells
1997	<b>Som Distilleries</b> Ltd.Bhopal	Ground water & Tubewells	Ground water assessment and reserve estimation and installation of Scientific deep tubewell.
1997	<b>Peeraj Power Generation</b> Ltd., Hanumangarh, Rajasthan	Soil and Ground water	Detailed ground water resources evaluation & installation of battery of deep tubewells including soil load bearing studies.
1997	East India Hotels Ltd. ,Kutch Gujarat	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tubewell.
1997	<b>Ambuja</b> Rajasthan cements at Marwar Mundwa ,	Remote sensing study & ground water reserve estimation for long term in core and buffer zone.	Ground water assessment for MOEF clearance.
1997	Dabur India Ltd.,Alwar Rajasthan	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tube well.
1997	Rajasthan Hospital Ltd.,Jaipur	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tube well.
1997	Nandan Green Farms Ltd., Jaipur Rajasthan	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tube well.
1997	PHED, Govt. of Rajasthan	Tubewell construction	Installation of Deep tube wells in various parts of Rajasthan.
1998	<b>Morepen Hotels</b> Ltd.,Arrosim, <b>Goa</b>	Ground water Assessment	Water Resources estimation for long term sustainment.
1998	Oberoi Mc Alpine Hotels Ltd. Udaipur, Rajasthan	Ground water and exploration	Detailed ground water resources estimation project, Aquifer Performance tests & construction of test wells.
1998	East India Hotels Ltd. Udaipur Rajasthan	Ground water	Water Resources evaluation project for long term.
1998	<b>DLF Power</b> Ltd.Barmer	Ground water	Water Resources potential studies for sweet water.
1998	Monet Ispat Ltd. , Raipur (MP)	Ground water resources evaluation	Ground water assessment for long term.
	<b>Heritage Resorts</b> & Palaces Ltd Delwara, Rajasthan	Ground water and Tubewell	Ground water reserves estimation & construction of scientific tube well
1998	<b>DLF Power Plant</b> , Barmer (Raj)	Ground water resources evolution	Ground water assessment for long term.
1999	<b>Maratha Cement Ltd.</b> , Chandrapur, Maharashtra	Ground water detection & reserves estimation for long term	Ground water assessment and long duration Aquifer Performance Test for dewatering of mines.
1999	GACL , Nadikudi, (AP) ( <b>Ambuja group</b> )	Ground water detection & reserves estimation for long term	Ground water assessment
1999	<b>Sunset Resorts</b> Ltd. <b>Goa</b>	Ground water and soil investigation	Ground water investigation for sweet water
1999	Montgomery Watson, Faridabad	Soil studies & ground water pollution studies	Soil profile studies & modeling for foundation & pollution in ground water.
1999	<b>Heritage Resorts</b> & Palaces Ltd Jaipur, Rajasthan	Ground water and tubewell construction	Estimates of ground water reserves & tubewell construction.
1999	East India Hotels Ltd. Obrai Group, Udaipur, Rajasthan	Ground water and tubewell construction	Estimates of ground water reserves & tubewell construction.
1999	<b>KK Kohali &amp;</b> brothers Ltd. Faridabad	Ground water detection and deep tubewells	Ground water assessment
1999	<b>Maratha Cements Ltd.,</b> Chandrapur, Nagpur	TW and APT	Design of battery of tubewells based on APT for dewatering of mines
1999	<b>Whirlpool India Ltd.</b> Faridabad	Monitoring wells	Installation of monitoring wells for ground water pollution studies.
2000	<b>Oasis Distilleries</b> & Breweries, Indore (M.P.)	Ground water and tubewell construction	Detailed ground water studies and installation of deep tubewell
2000	Morepen/Sunset Resorts Ltd,Goa	Ground water detection	Ground water assessment
2000	<b>Som Distilleries</b> Ltd. Bhopal (MP)	Ground water detection & deep	Ground water assessment & scientific

		borewell construction	high discharge water wells
2000	Karma Processors Ltd.Faridabad	Ground water detection & deep borewell construction	Installation of deep Scientific Tube well.
2000	Hemla Textiles Ltd.,Faridabad, Haryana	Tubewell construction	Construction of scientific tube well by combination rigs.
2000	Creative Textiles Ltd., Faridabad	Tubewell construction	Construction of scientific tube well by combination rigs.
2000	Vaibhav Cine Complex, Jaipur Rjasthan	Ground water and tubewell construction	Construction of scientific tube well by combination rigs.
2000	Hotel Pramod Ltd., Jaipur, Raj.	Ground water	Ground water investigation for feasible tubewell
2000	Vivek Pharmaceutical Pvt. Ltd., Jaipur, Rajasthan	Ground water & Rainwater Harvesting studies & Dewatering of mines	Ground water recharge studies & Rainwater Harvesting System
2000	<b>Maratha Cement</b> Ltd., chandrapur <b>Maharashtra</b>	Ground water exploration,APT, Dewatering of mines & RWH	Ground water exploration APT, Dewatering of mines & RWH through Artificial Reservoir.
2000	Gujarat <b>Ambuja Cements</b> Ltd.,Muldwarka	Conservation of sweet water	Conservation of sweet water aquifer & utilization of brackish water after treatment.
2001	<b>Kalptaru Power</b> Generation Ltd. Sriganganagar (Raj)	Ground water detection & reserves estimation & mathematical modeling	Ground water assessment & Mathematical modeling
2001	Jag Janani Textiles Ltd.	Ground water	Selection of feasible tubewell site
2001	Saraswati export Ltd. Jaipur	Ground water detection & hydrogeological survey	Ground water assessment
2001	<b>DSCL Energy</b> Systems Ltd., Faridabad	Ground water.	Detailed ground water resources estimation for long term and qualitative aspects
2002	<b>World vision</b> of India, Toda (Raj)	Ground water investigation & Deflouridation studies	Ground water assessment And pollution studies
2002	Kalptaru Energy venture Ltd., Raj.	Soil investigation for foundation studies	Soil investigation for load bearing capacity
2003	<b>HZL, Rampura</b> agucha mine, Bhilwara,(Raj)	Augmentation of radial collector well through infiltration galleries & design of sub surface dyke	Assessment of intake water of river sub-surface flow & design of surface dyke.
2003	<b>GACL , Lodhwa</b> mine(GUJ)	Dewatering of the mine near sea shore area & mathematical modeling	Mathematical modeling & dewatering of the mining studies including 3D modeling
2003	<b>Ansal Township</b> , Bhilwara, Jodhpur & Bikaner (3 projects)	Ground water detection & reserves estimation	Ground water assessment
2003	<b>Gujarat Ambuja</b> Vadnagar (GUJ)	Mine pollutant studies in ground water	Source of ground water pollution
2003	Rotary Club Jaipur	Installation of scientific structure for rooftop rainwater harvesting & ground water recharge.	Ground Water Recharge project
2004	Vivek Pharmaceuticals Ltd.	Water recharging through rainwater harvesting studies	Roof top rain water harvesting studies.
2004	Sitson India Ltd. (Chambal Power )	Load bearing & foundation study	Soil investigation
2004	Shree Krishna Paper mill , Kothputali (Raj)	Geophysical investigation for ground water with Remote sensing study for ground water potential & long term water reserves estimation .	Evaluation of Burried channel of river through satellite imageries and evaluation of water reserves through Aquifer performance test .
2004	<b>Rukmani birla</b> Education. Inst., Jaipur	Rainwater harvesting Studies	Storm water management and roof top rain water harvesting studies.
2005	<b>HINDALCO</b> renukoot & Renusagar (UP) and lathehar , Jharkhand ( <b>3 projects</b> )	Detailed Ground water reserve estimation & design of radial well using satellite imagery	Ground water & surface water assessment
2005	Baverly Park maintains services N. Delhi ( <b>DLF group</b> )	Determination of the variation in litho-interfaces for foundation design .	Assessment of subsurface lithology for foundation design using geoelectric survey.
2005	<b>Satyam</b> Food Ltd.,Jaipur	Water shed & Ground water potentiality studies	Water shed management studies using remote sensing techniques
2005	<b>Neepaz metalikes</b> Ltd. ,Rourkella <b>Orrissa</b>	Ground water reserves estimation for long term & open area rainwater ,harvesting	Ground water assessment & rain water harvesting through design of artificial reservoir.
2005	<b>Ambuja ragasthan Ltd. ,</b> Rabariabas , Beawar	Mine load pollution studies in ground water	Ground water pollution studies

2005	Vallabh Steels Ltd. <b>Jamshedpur</b> (Jharkhand)	Estimation of ground water reserves, proposed artificial reservoir & river flow measurement & rain water harvesting	Artificial reservoir potentiality study & rain water harvesting . Ground water & rain water assessment .
2006	<b>Ambuja</b> Eastern Ltd. Raipur ( <b>Chattisgarh</b> )	Estimation of ground water reserves, construction of water wells , dewatering plan for any nth year	Dewatering studies for mine planning , ground water assessment for environmental clearance from MOEF
2006	<b>Larson &amp; Toubro</b> Kansbahal , Rouarkella (Orissa)	Rainwater harvesting & evaluating of ground water movement & solution for water logging problem around Fabrication shop .	Solution for water logging problem . Rainwater harvesting & ground water reserves estimation &
2006	<b>Prism cement</b> , Satna (M.P.)	Feasibility for artificial reservoir based on catchment runoff and its design as per on intake water quantification & effects of blasting	Water conservation & artificial reservoir potentiality & effect of blasting studies
2006	Gupta energy Ltd. , <b>Chanderpur</b> ( <b>Mahrastra</b> )	Study of river potentiality for long term . Water availability & design of artificial reservoir	River potentiality study
2006	<b>Coca-cola</b> Beverages Ltd. Udaipur (Raj)	Water shed & water risk assessment studies	Water risk assessment studies of micro water shed of proposed source of water
2006	<b>Impact Garden</b> , Amritsar ( <b>Punjab</b> )	Strom water management studies & rain water harvesting	Strom water management
2006	<b>Dhanuka Labs.</b> , Kotputali (Raj)	Remote sensing studies for water potentiality & hydrogeological survey	Satellite imagery studies & selection of feasible sites for tubewells.
2006	<b>Vatika</b> Hotels & city at Gurgaon , & Vatika InfoTech at Jaipur	Ground water reserves estimation , Rainwater harvesting & storm water management studies	Storm water management and ground water feasibility along with rain water harvesting
2006	Vardhman Industries Ltd., Jamshedpur, <b>Jharkand</b>	Intake well investigation at River with 10 kms pipe line route to factory and Rainwater Harvesting studies.	Feasibility of intake well from stream/River for meeting out factory needs.
2006	<b>Hero Honda Motors</b> Ltd. Kukas (Jaipur) & Neemrana (Alwar) project	Hydrogeological Survey & Rainwater Harvesting for proposed Automobile plant.	Ground water reserves estimations & Rainwater Harvesting studies.
2006	<b>SAB Miller (Roche Breweries Ltd.</b> , Neemrana (Alwar), Daruheda and Sonapat (Haryana) project	Water Risk Assessment studies and impact on ground water environment	Micro watershed studies to ascertain impact on ground water regime in and around the plants & safe water extraction levels.
2006	Satyam Power Limited, Gangapur city and Digod ,Kota Rajasthan (two project)	Sub-surface water feasibility and foundation studies through ground water	Load bearing capacity of soil & Rainwater Harvesting and ground water feasibility studies
2006	<b>South Asia Breweries Ltd. Alwar</b>	Ground water Resources investigation in long term & Aquifer Performance Test for long term water reserves.	Water sustainability studies in long term & Rainwater Harvesting Plan & feasibility of recycling industrial waste water.
2006	Vatika Technology Park Faridabad	Ground water availability in long term & Rainwater Harvesting Scope	Safe ground water exploitation plan with Rainwater Harvesting design and implementation
2006	<b>Silver Realities</b> & Infrastructure Pvt. Ltd., <b>Indore</b>	Ground water utilization studies with drainage flow analysis	Exportation of ground water in long term & nalah flow HFL studies to accommodate rainfall runoff & rainwater harvesting studies.
2006	<b>Otsuka Chemical</b> Ltd. Kotputli	Scientific construction of deep tubewells based on geophysical studies	Deep combination long term efficient tubewells based on Aquifer Performance Test & hydraulic parameters.
2006	Ansai Colonizers & Developers , Bikaner & Ajmer project.	Sub surface water availability	Ground water availability & water resources evaluation & selection of feasible tubewell sites.
2006	<b>Rukmini Power</b> & Steel Ltd. Raigarh ( <b>Chattisgarh</b> )	Surface & subsurface water potentiality studies	Artificial Reservoir and Ground Water studies with mathematical modeling on post and pre monsoon water reserves estimates

2006	Bharat Box Factory Ltd., <b>Jammu</b>	Water extraction under safe limits	Scientific Water studies on utilization of ground water & feasible sites for tubewell in bouldery beds
2006	Rotary International	Road Storm Water Harvesting project , Jaipur	Installation of 14 road side storm water harvesting structures.
2007	<b>Escorts Constructions</b> Equipment Ltd.,Vallabgarh <b>Haryana</b>	Ground water feasibility & Rain Water Harvesting studies	Water resources evaluation and scope of Rainwater Harvesting with mathematical modeling on ground water reserves for any n <sup>th</sup> year.
2007	<b>Hero Honda</b> Motors Limited Haridwar	Ground water resources evaluated and Rainwater Harvesting	Ground water survey & Rainwater Harvesting
2007	Hotel Rajgarh Palace, Khaujroho	Water Resources Evaluation	Ground water & Rainwater Harvesting
2007	<b>Shree Cement</b> Ltd.,RAS	Creation of Artificial reserves studies.	Hydrogeological and Geoelectric survey near village Ballupura, RAS dist. Pali
2006	Shree Cement Ltd.,Beawar	Creation of Artificial reserves studies.	Surface runoff harvesting & feasibility of artificial Reservoir studies.
2007	<b>Satyam Power Project</b> , Digod Kota,Sawai madhopur and Nagoaur	Artificial Recharge Studies	Artificial recharge proposal studies for permission from CGWA for water extraction, construction of tubewells and evaluation of ground water reserves and potential.
2007	<b>Speciality Silica Pvt.Ltd.</b> , Alwar	Artificial Recharge Studies Soil studies and Water Resources evaluation studies.	Surface water recharge proposal to CGWA for water abstraction permission
2007	Ansai Properties & Infrastructure Ltd., Jodhpur	Water Resources Evaluation studies	Ground water reserves estimation & Rainwater Harvesting studies.
2007	Sathyam Power Pvt. Ltd. Digod, Kota, Sawai Madhopur and Nagoaur	Hydrogeological Survey & Rainwater Harvesting studies for proposed power plant.	Toposurvey ground water reserves & potential estimates, soil investigation & Rainwater Harvesting studies.
2007	<b>Prism Cement</b> Ltd. Satna	Geoelectric Survey for ground water potential studies.	Ground water resources estimation & potential evaluation studies.
2007	Hotel Ashoka, RTDC Jaipur	Feasibility of tubewells sites .	Hydrogeological survey for selection of tubewells sites
2007	<b>Kolkatta Hotel</b> Limited, Kolkatta	Ground Water potential studies and reserves estimation	Scientific investigation for ground water resources & Rainwater Harnessing design.
2007	Aryavrat Housing construction Pvt. Ltd. <b>Bhopal</b>	Ground Water Resources and estimation	Hydrogeological potential for ground water development
2007	REDFOX HOTEL, Jaipur	Hydrogeological survey for ground water reserves	Selection of feasible tubewells sites for required quantity for long term.
2007	SABMILLER INDIA LIMITED <b>Sonepat, Haryana</b>	Water Risk Assessment studies of micro shed	Water Risk Assessment Studies for microshed covering sabmiller plant.
2007	Birla Cheritable Trust,,Kanak Vrandavan and Birla Mandir Jaipur	Rainwater Harvesting studies	Design of Rainwater Harvesting structure for Rooftop and surface runoff
2007	Deewan Breweries, Alwar (Rajasthan)	Artificial recharge studies	Recharge proposal ,survey and report preparation for approval form CGWA
2007	Vatika Infotech Jaipur	Construction of Scientific Tubewell & optimum yield test studies and plate load test.	Ground Water Development work on scientific lines & recharge proposal report for permission from CGWA and Plate Load Studies for foundation.
2007	Dharampal Satyapal Limited <b>DS Group Noida (U.P.) and Guwahati</b> (Assam)	Ground water Reserves estimation for long term.	Ground water potential studies for required quantity in long term.
2007	EIH Limited, Jaisalmer (Hotel Rajvilas Palace,)	Ground water Reserves estimation for long term.	Ground water potential studies for required quantity in long term.

2007	<b>Grassfield</b> Fire ;Capital Developers Pvt.Ltd. Mahla, Jaipur	Ground water Reserves estimation for long term.	Ground water potential studies for required quantity in long term.
2007	<b>Unitech</b> Real Estate, <b>Hydrabad</b>	Ground water Reserves estimation for long term. and Rainwater Harvesting studies	Ground water potential studies for required quantity in long term and Rainwater Harvesting design studies.
2007	<b>DLF</b> Recreation Foundation, Gurgaon, Haryana	Ground water Reserves estimation for long term. and Rainwater Harvesting studies	Ground water potential studies for required quantity in long term and Rainwater Harvesting design studies.
2007	Theme Engineering Services Bisalpur, Jaipur	Soil Resistivity test	For foundation studies.
2007	<b>Herohonda Motors</b> Ltd. Daruhera, Haryana	Recharge studies and Rainwater Harvesting structure designed.	Rainwater Harvesting designs for rooftop and surface runoff.
2007	Lords Chloro Alkalies Ltd.	Ground water Reserves estimation & construction of tube wells.	Ground water potential studies & scientific designs & installation of deep tubewells.
2007	J.R.Recreation Club & Resorts , Sitapura, Jaipur	Ground water reserves estimation & selection of feasible tubewell sites	Hydrogeological investigation for long term water availability
2008	<b>Herohonda Motors</b> Ltd. SIDCUL, Haridwar	Rainwater Harvesting studies and Artificial reservoir studies.	Designs of Rainwater Harvesting and reservoir construction for surface runoff recharge to ground water
2008	<b>Glaxo Smith</b> Cline Ltd., Nabha <b>Punjab</b>	Waste Water Recharge studies	Artificial recharge designs for waste water recharge to ground water
2008	Finetech Township Limited Jaipur	Ground water reserves evaluation and potential studies.	Selection of feasible tubewell sites for long term water extraction in required quantity.
2008	Sabmiller India Limited, Bhuvneshar ( <b>Orrisa</b> ) and <b>Mysore (Karnataka)</b>	Surface Water Potential studies through micro water shed and portion of stream and ground water reserves estimation .	Design of intake well from surface water for proposed plant and ground water potential survey for water risk assessment.
2008	<b>BLA Power</b> Industries, Chandrapur, <b>Maharashtra</b>	Surface Water Potential & study for availability of water in long term from portion of Narmada River	Water availability studies in required quantity from Narmada River water source on sustainable basis.
2008	KGK Infrastructure Ltd., Jaipur	Ground Water Resources	Ground water availability based on water resources estimation in long term.
2008	Pink City Sports Complex, Jaipur	Remote Sensing & Ground Water studies based on A.P.T. etc.	Long term assessment of ground water reserves mathematical modeling, A.P.T. etc.(5 nos)
2008	<b>Herohonda, Motors</b> Limited Haridwar	Construction of Artificial Recharge reservoir and installation of Rainwater Harvesting systems.	Ground water recharge through artificial lake, Rainwater-Storm Water harvesting structures installation
2008	Herohonda Motors Limited, Daruhera	Installation of storm water & Roof top rainwater harvesting structures	Ground water recharge from Rooftop & storm water runoff.
2008	Sabmiller, Krishna District, <b>Andhra Pradesh</b>	Krishna River potentiality studies for surface water availability in river	Surface water studies for long term water availability and total life of available water
2008	<b>Phoenix</b> Solar India Ltd, Noida	Ground water potential studies	Mathematical modeling for long term ground water reserves.
2008	Indian Oil Corp. Ltd.Mathura ( <b>IOCL</b> )	Radial well studies & its augmentation	Yamuna River water availability and measures for yield enhancement.
2008	<b>MMTC</b> Guragaon	Ground water reserves estimation & rainwater harvesting	Ground water availability in long term & Rainwater Harvesting studies.
2008	<b>Carrier Air-conditioning</b> and Refrigerator Ltd.,Gurgaon	Rainwater Harvesting studies.	Installation of Rainwater Harvesting structures.
2008	<b>Milestone</b> Buildspace Pvt.Ltd <b>Nagpur</b>	Long term ground water availability studies, Rainwater Harvesting & Artificial recharge	Ground water availability in long term Augmentation of ground water reserves through artificial lake and rainwater

		reservoir development.	harvesting system.
2008	Milestone Dwellers Pvt Ltd, Jaipur	Ground water reserves evaluation	Ground water availability in long term
2008	<b>Assotech CP Infrastructure Ltd. Gwalior</b>	Ground water studies and construction of deep tubewell	Micro watershed studies & evaluation of reserves and mathematical modeling for life of reserves.
2008	<b>Nissin Brake India Limited, Neemrana</b>	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential along with rooftop, road/ paved area rainwater harvesting
2008	<b>Mitsui Prime Advance composites India Ltd., Neemrana ,Alwar</b>	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential along with rooftop, road/ paved area rainwater harvesting
2008	Sathyam Power Ltd.Mumbai for Kota, Metra, Sawaimadhopur (3 projects)	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential.
2008	<b>Dalmia Cement Ltd, Dalmiapuram, Tamilnadu</b>	De-watering studies of PTK mines	Draw down predictions based on long duration aquifer performance test for safe mining..
2008	<b>Shiva Cement Limited, Orissa</b>	Limestone deposit assessment studies	Preliminary reserves estimation using geoelectric survey in 1000 acre mining lease area
2008	<b>Birla Cement Limited, Trichi</b>	Limestone deposit assessment	Preliminary reserves estimation using geoelectric survey.
2008	<b>Ambuja Cements Limited,</b>	Salinity ingresson studies in 30 lime km radius, area & its impact on ground water regime.	Comparative salinity ingresson impact with respect to 2001-2005 saline – fresh water interface near Arabian sea.
2008	<b>Fiat Automobiles Ltd., Pune</b>	Ground water potential studies.	Micro water shed studies for total ground water reserves evaluation.
2008	<b>Reliance Cementation Pvt.Ltd. Satna</b>	Ground water availability & Artificial recharge studies.	Detailed ground water feasibility & artificial recharge proposal for CGWA approval.
2008	<b>Bhilai Steel Plant , Durg</b>	Rainwater Harvesting and waste water recharge studies	Comprehensive Artificial Recharge studies for entire Bhilai Township.
2008	<b>T.P.R.Autoparts Manufacturing India Pvt. Ltd Neemrana</b>	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential as per CGWA requirement.
2008	<b>Nunlet Projects Pvt. Ltd. Nagpur</b>	Ground Water Resources, Evaluation & recharge studies	Micro watershed studies & evaluation of reserves and mathematical modeling for life of reserves and rainwater Harvesting scope.
	<b>Vikram Cement , Neemuch, M.P.</b>	Remote sensing studies for mine planning	Satellite data imagery studies & monitoring well program for Mine I & II
2009	<b>Cairn Energy PTY Ltd. ,Rajasthan basin, Barmer</b>	Hydrogeological ,Geoelectric and Aquifer Performance Test	Ground water Resources Evaluation studies, Jamnagar, Gujarat
2009	<b>Diamler Hero Honda Commercial Vehicle Ltd., Chennai</b>	Hydrologic and hydrogeological studies	Recommendations of water flow from adjoining lake during peak rainfall and its remedial measures.
2009	Shivnadar University, Noida ( <b>HCL</b> )	Hydrologic and hydrogeological studies	Recommendations for boundary wall to prevent water seepage from storm water collection at peak rainfall.
2009	Sathyam Power Pvt. Ltd.	Soil foundation studies	Drilling for lithlogy , SPT and soil sample analysis and safe load bearing capacity
2009	Specialty silical Pvt. Ltd.	Water conservation and Artificial recharge	Capacity enhancement of existing water bodies and installation of percolation structures.
2009	<b>Cairn Energy India Pty Ltd. Bhoghat,</b>	Geophysical survey and test drilling of 200 mtrs depth.	To study water availability in deeper aquifers
2009	Shree Laxmi Ballabh Parshwanath Trust, Bhinmal	Hydrological and Geophysical survey	Recommendations of feasible tubewells for long term water availability.
2009	<b>Prism Cement Limited, Satna M.P.</b>	Hydrological and Geophysical survey	Recommendations of feasible tubewells for long term water availability.

2009	<b>Mahi Cement</b> , Banswara (Unit of India Cment , Chennai)	Water Resources evaluation & Artificial recharge studies	Water Resources evaluation
2009	<b>Amreli Power</b> Project Pvt. Ltd. Junagarh ( <b>Gujarat</b> )	Water availability and recharge studies	For obtaining NOC from CGWA for ground water extraction
2009	<b>Junagarh Power</b> Project Pvt. Ltd. Junagarh	Water availability and recharge studies	For obtaining NOC from CGWA for ground water extraction
2009	<b>Tata Motors</b> Limited, Pune	Water availability and recharge studies	For obtaining NOC from CGWA for ground water extraction
2009	<b>Kalptaru Power</b> Transmission Limited, Uniara and Padampur, Rajathan	Water availability and recharge studies	For obtaining NOC from CGWA for ground water extraction and new test well sites.
2009	<b>Hindusthan Zinc Limited</b> , Chittorgarh	Detailed Hydrogeological & Geophysical investigation	Selection of feasible tubewell sites
2009	<b>Ambuja Cements</b> Limited, Singar Mines,	Salinity ingresson studies	For clearance of project from Ministry of Environment and Forest, Govt. of India.
2009	<b>Michelin India TamilNadu</b> Tyres Pvt Ltd Thiruvanniyur , Chennai	Detailed Hydrogeological & Geophysical investigation and Ground Water Resources Evaluation studies and test drilling and conducting Aquifer Performance Test	Design of storm water drains interaction of surface & ground water resources evaluation.
2009	<b>Nirma Limited</b> , village – Sachana, Taluka – Viramgaon - Dist. Ahmedabad, Gujarat	Salinity ingresson studies	As per requirement of Ministry of Environment and Forest, Govt. of India.
2009	<b>Carls Berg</b> India Pvt. Limited, M.I.A.Alwar	Rainwater Harvesting Studies, design of Recharge structures & its excavation.	Storm water Management by Artificial Recharge
2009	<b>Tata Chemicals Limited</b> , Mithapur, Jamnagar, <b>Gujarat</b>	Ground water availability & Recharge proposal for 24 Mines.	For obtaining NOC from CGWA for Ground Water extraction
2009	<b>Cairn Energy India</b> Pty Ltd., Barmer Salya Pipe line, Rajasthan – Gujarat area.	Hydro census studies at 20 AGI stations.	Water Resources evaluation in 5 km radius of each station with pre and post monsoon qualitative and quantities estimates.
2010	<b>Nestle India Limited</b> , Moga, Himachal Pradesh	Water level monitoring and waste water re-use.	Water Resources investigation and waste water re-use opportunities
2010	<b>Gurdian Water</b> Resources , Rohru, <b>Himachal Pradesh</b>	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
2010	<b>Intas Pharmaceutical</b> Limited, Gujarat (IPL-1, Village Matoda, Sanand)	Ground Water availability and Recharge proposal.	For obtaining NOC from CGWA for ground water extraction.
2010	<b>DLF</b> commercial complex, Gurgaon	Water Resources Evaluation	Total Water Reserves and Water extraction plan
2010	National Institute of Ayurveda, Jamdoli, Jaipur	Selection of feasible tubewell site	Geophysical hydrogeological survey
2010	Mayur Uniquoters Limited, Jaipur	Recharge studies and tubewell site selection	Ground water availability & Rainwater Harvesting
2010	<b>Bhavnagar Biomass Power Plant Gujarat</b>	Recharge proposal for CGWA permission	CGWA permission for ground water extraction.
2010	<b>Essar Oil</b> Limited, Gujarat	Detailed Rainwater Harvesting studies	Scope of Artificial Recharge.
2010	<b>Dishman Pharma</b> ceutical Limited, Kutch, Gujarat	Ground water availability & Recharge studies	Permission from CGWA for ground water withdrawal.
2010	<b>Shree Renuka Sugars</b> Ltd. Kandla, Gujarat	Ground Water availability in deeper aquifers & scope of Artificial recharge	Permission from CGWA for ground water extraction
2010	<b>Balkrishna Tyres</b> Industries Bhiwadi	Geophysical survey and tube well installation	Deep suitable tubewell installation
2010	ACC Cement Limited	Under water survey of Dam site	Dam site physiographic and under water profiling

2010	Mayur Uniquoters Limited, Jaipur, Rajasthan	Rainwater Harvesting studies and execution	Scope of Artificial Recharge
2010	Dalmia Solar Power Limited, village BAP in District Jodhpur, Rajasthan	Hydrogeological & Geophysical survey and Recharge studies	Feasible test well sites sustainable in long term with drilling methodologies and permission from CGWA for ground water extraction.
2010	<b>EQMS India</b> Pvt. Ltd., Village Tapukrah Block- Tijara, Alwar District , Rajasthan	Recharge proposal for CGWA permission	CGWA permission for ground water extraction.
2010	<b>Concord Biotech</b> Limited, <b>Ahmedabad</b>	Recharge proposal for CGWA permission	CGWA permission for ground water extraction.
2010	<b>Millennium Beer</b> Industries Ltd. Dharuhera, Haryana	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
2010	Barmalt (India) Private Limited Manda Industrial Area Jaipur	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
2010	<b>Hero Honda Motors Limited</b> Gurgaon (Haryana)	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structures.
2010	<b>MMTC –PAMP</b> INDIA PVT.LTD. NEW DELHI	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
2010	Jaipur Rugs Co. Pvt. Ltd., Jaipur	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
2010	Police Training School , Jhalawar	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
2010	<b>Trident Hotel</b> , Udaipur	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
2010	<b>Ambuja Cements</b> Limited, Ambujanagar, Kodinar, Gujarat	Peizometric studies	Hydrogeological and ground water monitoring studies for installation of Peizometers
2010	<b>Ambuja Cements</b> Limited, RAS –I Rabariyawas, Pali Rajasthan	Ground Water Regime studies	Surface and Ground Water interaction as per MOEF guide lines.
2010	<b>Ambuja Cements</b> Limited, RAS – II Rabariyawas, Pali Rajasthan	Rainwater Harvesting studies and execution	Scope of Artificial Recharge
2010	<b>HPCL</b> Bahadurgarh, Haryana	Storm Water Management and Water logging problem	Runoff – Recharge studies to deeper aquifer for storm water management
2010	<b>Sapoorji Pallonji</b> Energy ( <b>Gujarat</b> ) Pvt.Ltd. (Power Plant)	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
2010	M/S <b>PALM Apartment</b> South City, Phase- I Gurgaon	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
2010	<b>Simar Port</b> Private Limited, Kodinar, Dist. Jamnagar, <b>Gujarat</b>	Ground Water studies and Recharge studies	For CGWA permission for Ground Water extraction.
2010	<b>Sapoorji Pallonji</b> Energy (Gujarat) Pvt.Ltd. (Township)	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
2010	Sai Maryada Agro , Ratangarh, Churu	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
2010	<b>Intas Pharmaceutical</b> Limited, Gujarat (IPL-2, Village Matoda, <b>Sanand</b> )	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.

2013	<b>Mikuni India Pvt. Ltd. Neemrana, Alwar, Rajasthan</b>	Ground Water availability and Rainwater harvesting studies for water expansion & WRD permission for your expansion at Neemrana, district Alwar, Rajasthan.	CGWA approval for ground water extraction
2013	<b>E.L.Services, Gurgaon, Haryana</b>	Ground Water availability and Rainwater harvesting studies for water expansion & WRD permission for your expansion at Neemrana, district Alwar, Rajasthan.	CGWA approval for ground water extraction
2013	<b>Binani Cements Limited, Nagaur</b>	Groundwater Study, and Ground water availability and preparation of Recharge proposal for NOC from CGWA	Water resources evaluation studies and CGWA approval for ground water extraction.
2013	<b>Kajaria Ceramics Ltd., Alwar and Viratnagar</b>	Ground water availability studies at 80 acres land near Gulabpura on Jaipur Udaipur highway, District Bhilwara, & Viratnagar, Jaipur Rajasthan.	Selection of suitable land based on ground water availability as apprehended from water resources evaluation and future projections as per mathematical modeling
2013	<b>Coca-Cola India Limited</b>	Installation of Water level recorder on Peizometer .	Peizometric studies for location peizometer with scientific design and installation of automatic water level recorder.
2013	<b>Agrow Allied Ventures Pvt. Ltd.Keshwana, Kotputli, Rajasthan</b>	Ground Water availability and CGWB permission from WRD and CGWA	Issuance of NOC from Water Resources Department , GOvt. of Rajasthan and CGWA for permission for extraction of ground water.

2013	<b>Tata Motors Ltd. Sanand Gujarat</b>	Hydraulic adequacy of soil for treated water disposal.	Infiltration & other studies for Hydraulic adequacy of soil for affluent water.
2013	<b>Ambuja Cement Limited, Lodhva mines, Gujarat</b>	Hydrogeological studies in and around Lodhva mines, Saurashtra region , Kodinar Taluka , Junagadh district , Gujarat.	Hydrogeological and Rainwater Harvesting studies and impact on ground water through mining activities at Lodhva for MOEF
2013	<b>General Cable Energy Ltd. Baddi ,(Himachal Pradesh)</b>	Hydrogeological Studies in factory premises at Baddi (H.P.)	Permission from Himachal Pradesh ground water authorities for ground water use.
2013	<b>Kribho Shyam Fertilizers Ltd. (KSFL) Shahjahanpur</b>	Hydrogeological studies in factory premises	Clearance from MOEF for Hydrogeologic issues
2013	<b>Reliance Cement Pvt. Ltd. Nagaur Dist, Rajasthan</b>	Geoelectric studies for delineation of potential lime stone deposits.	Delineation of lime stone based on Geoelectric studies
2013	<b>Kajaria Ceramics Ltd., Tijara , Alwar CGWB permission</b>	Ground water availability & recharge potential studies.	CGWA permission for ground water extraction.
2013	<b>Ground Water Department, Govt. of Rajasthan.</b>	Storm Water Management studies through Artificial Recharge on Jaipur-Tonk Highway in 70 km str..... in 500 mtr corridor on both sides of highway	Consultancy for feasibility of storm water recharge to existing ponds /dug wells and new structures along road side through generated rainfall runoff on NH 12 road between Jaipur and Tonk in 70 km stretch.
2014	<b>Al Zain Poultry Farm LLC MuscatSultanate of Oman</b>	Deliniation of ground water potential zone around 2000 m3/day in 10 sq.km area	Ground water Resources evaluation based on hydrogeologic and Geoelectric studies for ground water extraction of 2000 m3/day in 10 sq.km area
2014	<b>RNB Group, Bikaner, Raj</b>	Hydrogeological studies for selection of tubewell sites.	Geoelectric studies for feasible tubewell site selection
2014	<b>Glaxosmithkline Consumer healthcare limited, Nabha (Punjab) Rajahmundry (Tamilnadu) and Sonapat (Haryana )</b>	Aquifer distribution studies with respectto ground water recharge	Ground water aquifer distribution and recharge impact.
2014	<b>Varun Breweries, Gurgaon Haryana</b>	Hydrogeological studies for selection of tubewell sites and ground water recharge	Hydrogeological investigation for ground water availabilities & design of Recharge studies.
2014	<b>M/S GreenTech Mega Food Park Pvt. Ltd,- Ajmer, Rajasthan</b>	Ground Water availability and Rainwater harvesting studies & filing the report for obtaining permission for ground water for proposed Food park for .70 MLD from WRD followed by CGWA for ground water utilization	CGWA permission for ground water extraction.
2014	<b>Essar Oil Limited, Jamnagar, Gujarrat</b>	Geoelectric investigation by sophisticated digital resistivity monitors on identified spots to delineate saturated thickness, extent of Seepage/Leakage for each mtr up to 10 mtr depth	Subsurface saline water leakage /seepage detection studies.
2014	<b>Carl's berg India Pvt. Ltd. , Alwar Rajasthan</b>	Compliance report for CGWA permission renewal for extraction of ground water in your plant premises	Renewal of CGWA NOC for ground water extraction.
2015	<b>Dr. Oetker India Private Limited, New Delhi-</b>	Comprehensive report on ground water availability and recharge proposal at Bhiwadi, Alwar, Rajasthan	CGWA permission for ground water extraction.
2015	<b>M/S Kai Manufacturing India Pvt. LtdNeemrana</b>	Compliance report on ground water availability and recharge proposal , Neemrana , Rajasthan	CGWA permission for ground water extraction.
2015	<b>Claris Lifesciences Limited Ahmedabad, Gujarat</b>	installation of Rainwater harvesting studies, Sanand, Gujarat	Compliance of CGWA NOC
2015	<b>EIH Associated Hotels Limited Jaipur</b>	Ground water exploration , Jaipur	Selection of sites for feasible tubewells
2015	<b>Renaissance Buildhome Pvt. Ltd.jaipur, Rajasthan</b>	Ground water exploration ,Jaipur	Selection of sites for feasible tubewells

2015	M/S G.D.Food MFG (India) Pvt. Ltd.Neemrana	Compliance report for CGWA permission Neemrana, Rajasthan	Renewal of CGWA permission for ground water
2015	Dhanuka lab, Gurgaon	Comprehensive report on ground water availability and recharge proposal, Keshwana Rajput, Kotputli, Jaipur	Permission of Water Resources Department, Govt. of Rajasthan & CGWA, Govt. of India for ground water extraction.
2015	G.S.K. Sonipat , Haryana	Water Risk Assessment studies, Sonapat, Haryana.	Ground water availability production for long term use & water positive Industry
2015	Greentech Megha Food Park, Limited, Rupangarh, Ajmer , Rajasthan	installation of Rainwater harvesting Structures	Developing water resources and installation of RWH structures in existing ponds
2015	Varun Breweries, Limited, NUH, Haryana	installation of Rainwater harvesting Structures, in NUH Haryana	Construction of Rainwater Harvesting structures with in factory premises .
2015	AOV Agro Foods Pvt. Ltd.,Nuh, Haryana	Ground water availability and Rainwater Harvesting study	Filing the application with report for obtaining permission for ground water extraction for plant from CGWA.
2015	Elcina Electronic Park Bhiwadi	Ground water availability and Rainwater Harvesting study for CGWA permission for eater extraction	Ground water availability and Rainwater Harvesting studies & filing the report for obtaining CGWA permission for ground water for proposed Electronic Park at Bhiwadi from WRD and followed by CGWA permission for ground water utilization.
2016	Kamtech Associates Pvt. Ltd.	Potentiality of Spring water resource in long term	Investigation for potentiality of spring water resources in Dolpani, Galepu, Bhutan
2016	Penrod Recard India Pvt. Ltd. Behrod, Alwar , Rajasthan	Ground water study in plant premises at Behror, Alwar, Rajasthan for long term effect on water level	Ground water modeling & projections of effect on water level.
2016	Build Sol Architectural and Engineering Consultants, Bhubneshwar, Odisha	Hydrographic studies of River and potentiality.	River potentiality study for future Proposed water requirement of Breweries plant.
2016	EIH Hotels Limited, (Oberoi Group ) Jaipur	Ground Water Potentiality studies	Hydro geological analysis for long term sustainable yield
2016	Esser Oil Limited	Salinity detection in soil & subsoil water	Geoelectric survey for seepage of saline water
2016	Varun Breweries Limited, Panipat	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Carrier Refrigeration's Limited Gurgaon,Haryana	Installation of Rainwater Harvesting Structures in storm drains.	Storm drains & RWH design & installation.
2016	Kian Chemical, Aburoad (EQMS India Limited)	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Best Corp, U.P. (EQMS India Limited)	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	SRM University, Amravati, Andhra Pradesh	Hydro geological study	To evaluate runoff, design, drains and reconstructed for preventing water seepage.
2016	Mawana Sugar Comp, Merrut, UP	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Titwai Sugar Comp, Merrut, UP	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Nanglamal Sugar Comp, Merrut, UP	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Nanglamal Sugar Distillery Division Merrut, UP	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Molson Coors India Private Ltd., BHANKARPUR  MOHALI, PUNAB	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Molson Coors India Private Limited, Saha, Haryana	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Vatika Limited, Mehrauli-Gurgaon Road	CGWA permission for ground water extraction	Hydrogeological studies and submission of application to CGWA for ground water extraction
2016	SHREESWAMI SAMARTH ENVIRONMENTAL CONSULTANT	CGWA permission for ground water extraction	comprehensive recharge proposal studies as per CGWA
2016	Essar Power Guarat Limited, Gujarat	Hydro geological study	Hydro geological study of subsurface water in plant premises
